

Assembly Instructions

POD Shelf Unit

COMPONENTS;

- 2 x Sides (Left & right)
- 1 x Bottom Shelf
- 1 x middle shelf
- 1 x grooved top rail
- 2 x back panel

1 x box fittings
(Contents as below)

Tools required

	8 x cam bolt	A		8 x cam (pre-inserted)	B
	3 x castor	C		12 x 8mm Dowel (pre-inserted)	D
	3 x castor bush (pre-inserted)	E		1 x "H" profile rear panel connector	F

- 1.** Lay side down on a clean even surface. Insert cam bolt A into 5mm holes.
- 2.** Insert cam B to 15mm holes on bottom & middle shelf
- 3.** Fix in position and lock by turning Cam B in clockwise direction

4. Firmly locate Grooved cross rail into position

5. Join the 2 rear panel pieces together with “H” section rear panel connector F

Slide the rear panel into position within the grooves

6. Attach other side and secure turning cams B clockwise as in 2.

7. Firmly press the castors into the castor bush located on the underside of the bottom shelf

Please read & check through these instructions carefully before proceeding with assembly.

This product is designed to conform to the latest safety regulations and we hope you will be happy with your purchase. Whilst every effort is made to ensure this product reaches you in good condition, in the unlikely event you find a problem with any component, please **do not** attempt to assemble – and contact your retailer. As you will appreciate, we cannot accept liability for damage once an attempt to assemble has been made.

CLEANING: - A damp cloth should be sufficient to keep this product in good order. Please do not attempt to use abrasive cleaning materials, as this will incur damage.

Thank you for choosing our product. We hope you will be happy with your purchase.
