

Please read & check through these instructions carefully before proceeding with assembly.

COMPONENTS;

- 1 x top
- 1 x bottom (with pre-inserted bushes)
- 2 x sides
- 1 x middle
- 2 x shelf
- 2 x back

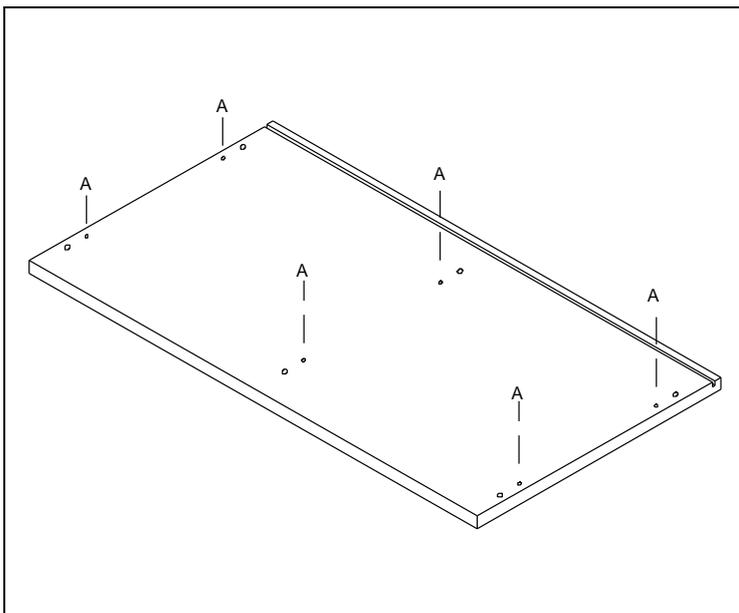

1 x box fittings
(Contents as below)

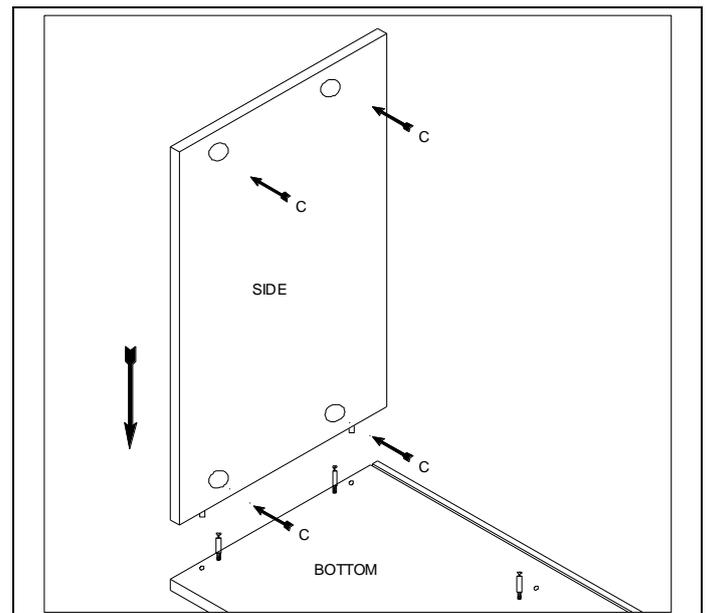

Tools required

	12 x cam bolt	A
	12 x cam	C
	4 x castor	H

	4 x shelf pin	D
	2 x Double shelf pin	E

1. Place top & bottom inside face up on flat surface. Insert cam bolt A into 5mm holes as shown above.

2. Insert cam C to 15mm holes on sides and middle. Proceed to assemble from the bottom up turning the cam clockwise to lock.

3. Attach shelf pin D to each side and double pin E to the middle.

Insert shelves down on pins into cams (F) and lock in position.

Slide the backs down into the grooves.

The top can now be attached, again locking the cams C as before.

4. The lockable castors (H) are a simple push fit into the bushes on the unit base.

This product is designed to conform to the latest safety regulations and we hope you will be happy with your purchase. Whilst every effort is made to ensure this product reaches you in good condition, in the unlikely event you find a problem with any component, please **do not** attempt to assemble – and contact your retailer. As you will appreciate, we cannot accept liability for damage once an attempt to assemble has been made.

CLEANING: - A damp cloth should be sufficient to keep this product in good order. Please do not attempt to use abrasive cleaning materials, as this will incur damage.

Thank you for choosing our product. We hope you will be happy with your purchase.
